

High Power Electronic Crimping Tool with External Control

11 mm crimper and decapper jaws

20 mm crimper and decapper jaws

Features:

- Higher-power programmable version of electronic crimping tool with a fixed power supply and cord (No battery)
- Serial (RS485) connection allows for external control of all crimper's functions with a programmable controller or PC
- Demonstration software for interface included
- Uses interchangeable jaw sets
- Stores separate programs for different caps and seals
- Strong enough for all steel and magnetic caps
- Optional base and mounting kit

Jaw Sets are easy to change. Simply insert the jaw set into the bushing at the bottom of the tool. Push up and twist until the set locks into position

To remove, push the outside button and rotate.
